Delamar West Hartford

Excellent service and hotel

"Excellent service and wonderful accommodations . From the valet service to the morning breakfast, Delamar stands out with beautiful rooms and excellent customer service. Rooms are very spacious and beautifully decorated . The location in the Middle of West Hartford is ideal for walking around town"

great hotel

"Super nice hotel with tremendous service and close to the West Hartford restaurants / shopping area. Had a glass of prosecco for me on arrival. Room service was fantastic. Everyone I met had a service-first, delightful manner."

Delamar Southport

Delamar Southport

"The experience was wonderful! By far the best hotel I have ever stayed in!! The staff was so courteous and friendly! We stayed in the presidential penthouse suite which was beautiful, and the following night I stayed in a guest room that was also beautiful!"

Quintessential Connecticut

"There is a reason Delamar Southport made T & L's top 25 picks in US. A family wedding brought us here and it was lovely in every way. From well appointed rooms and common areas, to the sweet outdoor courtyard, food and drink venues and above all, a great staff!! We were familiar with the Greenwich CT sister property on the harbor, but Southport location equally great. Will return"

Delamar Greenwich

Great Place to Stay

"The Delamar Greenwich Harbor Hotel in Greenwich, Ct is a wonderful place to stay. The rooms are clean and clearly sanitized. The staff is helpful and friendly. It has an old world feel but the bathrooms and hotel accommodations are very up-to-date. A fresh continental breakfast, with Illy coffee, is offered in a lovely room overlooking the water. So nice."

Overall very good stay

"Good property with welcoming staff. Room was clean and quite.is very good. Very near to highway and had good restaurant and train station closely. Had only one night for business. Certainly good choice. "

We had a very enjoyable brunch at Artisan. An extremely knowledgeable server made excellent recommendations for tasty food. A large variety of choices on the menu. On a rainy day, the valet parking service was very helpful.

5/5

We had a fabulous experience at the Inn at Longshore. The staff was so accommodating, personable, and professional. The rooms were super clean and dust free. The inn was so quiet, you could hardly tell that other people were there. The rooms are all decorated with a quaint antique decor that gives each room a unique flare. The Bridal Suite has a separate door closed off from the living room with a table for dining and refrigerator in each room. My family and I stayed here for a month after moving and waiting for our new house to be ready. We were very comfortable there. The continental breakfast was icing on the cake with good food in a beautiful dining room. They even allowed me to close the dining room door in the evenings so that I could have a quiet place to Zoom while attending my graduate school classes at night. There was a nice quiet sitting area with a couch and fire place where my family and I could sit and relax in the evenings. Not to mention the beautiful view of the grounds and Long Island sound. I would highly recommend you give the Inn at Longshore a try!
