June Guest Reviews!

Delamar West Hartford

Over the top service & friendliness

"Every interaction with the staff left me with a warm feeling. I was encouraged to ask for assistance and it never appeared to be bothersome. The amenities in the room were a pleasant surprise and I appreciated the turn down service. Finally, if you can take advantage of the outside fireplace, please do so!"

Wedding in West Hartford

"We had a wonderful stay at The Delamar. My daughter suggested the hotel for her wedding guest. Delamar set the good vibe from the start, at check in we were greeted with sparkling wine and a smile. Staff and service was excellent. I found the hotel artwork intriguing. The grounds are inviting. One night we enjoyed smores at the outdoor firepit. Our room was spacious and comfortable. Well placed electrical and ubs outlets (one of my pet peeves when I travel, so this is truly appreciated). The amenities were well appointed. The hotel is easy walking distance to restaurants and shops, but they also have an amazing restaurant on site. I will be back !"

Delamar Southport

A Must-Stay!

"My fiance and I stayed in separate rooms at this hotel the night before our wedding. I was able to get ready in the hotel room the morning of our wedding with my bridal party. Beyond the sheer beauty and functionality of the hotel, the staff were exceptionally accommodating and thoughtful throughout our stay. We are looking forward to coming back and definitely recommend this hotel!"

Superb property

"Every luxury hotel has a nice facility the difference is service. Delamar Southport has superb service. Comparable to the Four Seasons, St Regis, and Montage.

The restaurant is fabulous and the outside patio is to die for."

Delamar Greenwich

Anniversary

"This is our 5th time staying at the Delamar Greenwich Harbor Hotel and every time it's a home run! The staff went over and beyond to mcke our anniversary special and one we will never forget. Thank you!"

Excellent!!

"Booked a last minute stay for one night on our way to Boston after driving for many hours on I-95 and hitting bad traffic. The hotel is beautiful and has a cozy feel. We walked in without a reservation and were lucky to get the last room. The front desk staff was very nice. The room was well appointed and the bed very comfortable. We appreciated the soft robes and excellent line of soaps, shampoo, and hand creams complementary in the bathroom. Parking was free and we were able to self park, which was convenient with items we had to go get from the car as we were on our way to a conference. Location is convenient and very close to Greenwich Avenue and the train station. We ate dinner next door at L'escale, which was outstanding. We only stayed one night but everything was great and we had a good night's sleep. Wifi was strong and we appreciated the continental breakfast. They had a nice coffee machine and had pastries, yogurt, fruit, and orange juice which was just what we needed. The views to the Harbour are really nice. Would stay there again! Highly recommended."

Made reservations for our anniversary dinner and everything was excellent! The attention was consistent and the food was delicious. They noted our anniversary and gave us a free desert. I can't wait to have dinner there again.

Great setting to eat on a nice summer evening. The patio and veranda were both open and make for a very nice evening overlooking the river and the boats coming and going. Food and drinks were excellent. The almond cake for dessert is a must try!

I had a wonderful stay!

"We had a lovely stay at the Inn. We were lucky enough to get a view of the water, great weather, and incredible service. Everyone at the front desk was incredibly warm and helpful, I would stay here again in a heart beat!"
