Delamar West Hartford

Romantic Birthday Getaway

"Spent an overnight in this fabulous, luxury hotel with all the elegant amenities one would expect in an expensive New York hotel. World class art in the lobby made the entrance to the hotel an eye-popping beginning to stay. Room was exceptionally comfortable and noise free in spite of being downtown and on a corner. Bed linens were impeccable and soft, bathtub was big enough for two, staff were kind and friendly. The Artisan Restaurant downstairs in the hotel for dinner was exceptional and Delmar breakfast was served there in the morning which was a delight. I would highly recommend this venue to anyone wanting a resort like experience without having to travel far to achieve the Zen like feeling!"

great hotel in a great location

"The Delmar is my go to hotel when in West Hartford. The service is impeccable and consistent. The staff are courteous, attentive and responsive. The hotel manager Sedek is simply the best, which does not go unnoticed."

Pet friendly room - clean & beautiful

"I wasn't sure what to expect from a pet friendly room, this was my first time traveling with my small dog. The room was clean, well appointed and lovely. I very much appreciate the early checkin as well"

Great Experience

"I stayed in the hotel for 3 nights, it exceeded my expectations. Staff were very friendly, room was a nice size. Th only tip I would give is a bit more choice at breakfast. It was 30 min from the business venue but worth driving the extra time."

Delamar Greenwich

Beautiful, friendly, relaxing - what else is needed!

"Really great hotel. Rooms beautiful, staff genuinely friendly and helpful and the food was fantastic. No complaints at all. Even the library breakfast buffet as a quick grab and run service was just perfect. Heading back in a few weeks as it is only 35mins from grand central."

Excellence in Everything

"Great hotel, great staff from the questions over the phone to leaving at the end. Breakfast Bar was wonderful and the car service they provide was done with kindness and a support when you needed to get someplace. Location is gorgeous overlooking the water. Great areas to sit when you wanted to read. Everything was wonderful. Five star"

A fantastic restaurant! The food was really well prepared, delicious, and plentiful! The chef's ideas about their courses is very well thought out, laid out nicely and wonderfully prepared. The attention of the wait staff is very focused on the diners without being overbearing. Their recommendations were also very good. Planning to add this to our weekly night out!

As always, a great night sitting in the garden. Excellent service, cocktails spot on, summer menu delicious. Once a month at least we transport ourselves to a bit of Tuscany with our feet in the sand. Love it.

Delicious fresh pasta, attentive service, definitely one of my favorite "nice dinner" spots in WeHa. The wine list is good as well.
