September Guest Reviews!

Delamar West Hartford

Business was pleasureable

"Fantastic friendly staff from the valet team to the front desk. 5 Star deluxe room, beautiful lobby and appointments. The food was grewat and the meeting room and staff helping us set up were very capable and attentive."

Wonderful Stay in All Aspects

"The stay started with the Valet, wonderful check-in experience, great room with comfortable bedding and amenities, the foot at the Artisan was creative and tasty. Next time I will spend time at the outdoor fireplace with Smores!"

Delamar Southport

Excellent rooms service food and management

"Excellent rooms service food and management. This is the tenth year myself and colleagues have stayed at the Delemar. Probably atleast 400 nights over that period. We wouldn't pick anywhere else in the area. I'd recommend it to anyone. 5 Stars!!"

Always a Most Enjoyable Stay

"Have stayed here each summer during the past 4-5 years (of course excluding COVID 2020) for a quick business trip. The property is beautifully maintained, rooms are nicely appointed, the staff is very friendly and professional, the dining is always outstanding. I highly recommend it."

Delamar Greenwich

Newlyweds First Night Together

"Everything about staying at the Delamar was perfect. The littlest needs were attended to if they weren't already anticipated. The pillows were fluffed, the bed was comfortable and the location was perfect. I have no bad things to say about the place, because both Billy & I were completely satisfied and overwhelmed by how incredible the staff and the overall stay was! Thank you so much for a fabulous night!"

Superb location and impeccable service

"I have been staying at this lovely property for a number of years. It is centrally located in downtown Greenwich with is walking access to all that the charming town has to offer. The property is beautifully decorated and maintained and the staff is attentive and professional. It sits on the water and includes tranquil gardens and outdoor areas with water views. Hands down, the BEST place to stay if you are visiting Greenwich and a great get-away spot for people in the surrounding area."
